Sizes are for guide only. All prints are custom printed to your exact size. We do not charge a setup fee, we do not charge extra for non standard sizes and for sizes not listed we do not charge the same prize as the next size up. Prices are calculated based on total paper size, including borders.

Hasselblad/Imacon Film Scanning

File size / price per scan

100MB at 16-bit / 50MB at 8-bit	£19 per scan
200MB at 16-bit / 100MB at 8-bit	£24 per scan
400MB at 16-bit / 200MB at 8-bit	£29 per scan

All films are scanned at 16-bit depth to allow more post-processing flexibility. Prices include clean up (dust mark removal).
